American College of Surgeons Clinical Congress, October 22-26, 2017
San Diego Convention Center, San Diego, CA

Scientific Program:
The Clinical Congress provides surgeons, medical students, surgical residents, and other members of the operating room team with the opportunity to immerse themselves in a variety of educational experiences and to interact with their peers. We offer cutting-edge educational opportunities to address the knowledge, skills, and professional attributes necessary for delivery of surgical care of the highest quality for physicians at all stages of their careers. This year’s Clinical Congress offers outstanding educational opportunities for every stage in your career—all in one place. Claim up to 47.5 Continuing Medical Education (CME) Credits, earn Self-Assessment Credit for most sessions, and meet other regulatory requirements.

The 2017 program addresses essential clinical and nonclinical content. An exciting series of Named Lectures will again be delivered by world-renowned experts in their respective fields. Didactic/Experiential and Surgical Skills Courses will focus on acquisition of knowledge and skills through best practices in education and training methods. More than 110 Panel Sessions on relevant topics will be offered. The Scientific Forum will include surgical research presentations and posters. New this year, all posters will be e-posters and will be available for viewing throughout the entire Clinical Congress. Video-Based Education Sessions will showcase surgical procedures. Meet-the-Expert Sessions and Town Hall Meetings will offer a more informal learning experience.
